Dear Yale Students:

We will be pausing our 1stGenYale Summer Bulldogs student internship program for the 2025 program. While we would have liked to offer this unique support for FGLI Yalies again, sadly, we do not have the capacity or resources to run the program as volunteers at this time.

If you are interested in finding an internship for summer 2025, please continue to go to the Office of Career Strategy – <https://ocs.yale.edu/channels/applying-to-jobs-internships/> or contact [careerstrategy@yale.edu](mailto:careerstrategy@yale.edu).

For unpaid internships, eligible students on financial aid can apply for funding from the Summer Experience Award (SEA) – <https://ocs.yale.edu/channels/summer-experience-award/>. Contact Lisa Blees, [lisa.blees@yale.edu](mailto:lisa.blees@yale.edu), for questions about SEA.

For additional funding, our [Summer Bulldogs Funding Guide](#) offers tips on how to connect with Yale's resources.

While we are not offering internships for 2025, 1stGenYale alumni can still support you, if you have questions. Feel free to stay in touch at [1stgenyale@1stgenyale.org](mailto:1stgenyale@1stgenyale.org) as you navigate your internship search.

We will continue to explore options for 2026 summer. For your interest, here is our last year's summer internship report — [SB24 Report](#).

We wish you the best in your summer plans. Hope to see you at a future 1stGenYale career & life skills program!

Go Bulldogs,

Dear 1stGenYale Summer Bulldogs Internship Hosts:

As you make your hiring plans for the 2025 summer, we want to let you know we will be pausing our 1stGenYale Summer Bulldogs student internship program.

We would have liked to offer this unique support for first-generation low-income Yale students again but, sadly, we do not have the resources to run the program as volunteers at this time. We will continue to explore options and let you know if anything changes for 2026 summer.

You are one of our valued hosts and we thank you for your past participation. You have made a real difference to 308 Yale's first-generation low-income students over these last five years.

We are grateful for your internships and with Yale's SEA, funding and fellowships, these students are stepping up to meaningful careers and future graduate education.

For your interest, here is our last year's summer internship report — [SB24 Report](#).

To independently post an internship for Yale students, here are two options:

- Yale Office of Career Strategy ([careerstrategy@yale.edu](mailto:careerstrategy@yale.edu))

<https://ocs.yale.edu/channels/preferred-partners-internships/> (for Yale alumni hosts)

<https://ocs.yale.edu/post-a-job-internship/> (for all others)

- YJOBS: Yale Alumni for Students Jobs Board is a private Facebook group run by Yale alumni to help Yale students find summer, part-time, and full-time jobs. If you or a staff member are Yale alumni, then you can post directly on this site.

<https://www.facebook.com/groups/yale-alumni-for-students-job-board>

We wish you the best in your summer plans.
